MESSAGE FROM THE DIRECTOR

The New Year is here! We are so looking forward to watching God use TLC Ministries this year. He has no limitations, and we joyfully surrender to His plans for us!

Before 2016 becomes a distant memory, I want to take a moment to thank you all for your year-end gifts. You helped to propel us into 2017 with your generosity. I also thank you on behalf of the people whose lives you have touched through your support. We believe God has a great work ahead for us – bringing recovery and healing to those who are bound, broken, troubled, thirsty, out of hope, and in need of direction. We have all been there at one time or another, and your faithful prayers and giving is going to make hope, change, and salvation possible as we point people to Christ.

I'm so excited about what is happening! Do you want to get in on the adventure? Keep reading this newsletter to discover where God might use you to inspire others to experience a Total Life Change. May we live solely for Him in 2017!

In Christ's service,

Rev. Tod Harris

FINANCIAL UPDATE

Your response to the urgent update in our previous newsletter was a blessing! Your year-end donations helped us kick-start 2017 and take care of some of our first-quarter needs.

Thank you!

We are still praying for some people to pledge \$10, \$20, \$30, or more per month to help us maintain momentum throughout the year. If God so directs, please contact us!

Remember Us in Prayer

Praise!

- Tod and his family are praying more, and they are seeing all the children do well in seeking the Lord in church functions and school work.
- Sixteen new people gave their hearts to Jesus at Salvation Army, along with eighteen new converts at the Rescue Mission as Tod gave the message out of God's Word. The Holy Spirit moved many to give their hearts to Jesus and repented of their sins.

Pray for:

- Tod's Father who has stage 4 cancer, and his Father-In-Law who has heart issues.
- Tod, Brenda, and all their family as they go through this most difficult time with the health issues of both their fathers.
- Gail at "Desktop Media" to obtain a better understanding of TLC and be able to produce a marketing plan, and that we can launch our new website on time at the end of February.
- Sponsors for the individuals at Salvation Army that just accepted the Lord.
- Mentors for the men at Salvation Army who just accepted the Lord and are beginning their walk with Him.
- TLC to be covered with protection and provision and all that is needed as Tod's time is compromised with his family concerns.

Jesus made it clear...

... He came for the sick, not the healthy. We want to share the hope of change that His love can bring. Nobody is out of His reach!

Here are the exciting events and meetings on the horizon. I lay these out for four reasons:

First, I covet your prayers for the men, women, and young adults God wants to have at our meetings.

Second, if God is touching your heart regarding any of the meetings for yourself, please contact us so we can plug you in.

Third, if you know of anyone who could benefit from these meetings, please let them know about us.

Finally, if you know any businesses or pastors who could use another resource under their belt, the below list is a great place to start!

- Weekly Meetings Open to the Public at TLC Center
 - Codependency – Wednesdays, 6:30-7:30pm
 - AA – Thursdays, 7-8am
 - Open Group Bible Study – Coming Soon
- Up-coming one-time workshops (date/location to be announced)
 - Anger Management
 - Help! My Loved One's Addicted
- Counseling – at TLC Center by appointment
 - One-on-one
 - One-on-two counseling for couples

My hope and prayer is for TLC to be a resource for people from all walks of life. We want to help those who are lost find the help they need when they don't know where to go, or are too shame-filled and afraid to go to the people they DO know.

Too many are drowning in life's challenges and have no idea where to turn. We at TLC want to provide a personal connection. If we cannot assist someone at our center, we will call ahead to the next step – making a way so people won't feel displaced or that their call for help has gone unanswered. We will walk hand in hand with those in need so they may discover they have a hope and a future!

Dear friends, don't be surprised at the fiery trials you are going through, as if something strange were happening to you. Instead, be very glad—for these trials make you partners with Christ in his suffering, so that you will have the wonderful joy of seeing his glory when it is revealed to all the world. 1 Peter 4:12-13 NLT
